The object of the transfer of the fishery to the panchayat being the augmentation of the financial resources of the panchayat, it is doubtful whether, in the light of the rents realised during the past few years, the panchayat will be benefited by the arrangement proposed. It seems preferable to ask the R.G. of Panchayats to consult the panchayat and report its views to Govt. A draft memo is submitted for approval.

6.10.23, the Taluk Board reported that the Rev: Deptt. did nothing more than selling the right of fishing annually, and that the fishery was capable of development if properly controlled. The village panchayat ought to be able to control fishing and develop it, so that it can get a much larger income than the Rev: Deptt. has been getting. Finance may perhaps agree to Rs 100/-, the income being Rs 104 in 1921-22.

Letter from C. A. Souter Esq., I.C.S., Collector of South Kanara, R.O.C. No.11061-24 A.2 dated the 20th November 1924.

Fishery (South Kanara district) Karkal taluk- Anekere- Tank- lease.

The lease of the fishery of the Anekere tank was granted to the Karkal village panchayat for one year from 1st April 1924 subject to the conditions laid down in G.O. No1518 Mis. Revenue Department, dated 6th Octr. 1923 communicated with Board's reference No.F. 2423/23-1 dated 12th October 1923 and subject to payment of Rs. 75/- as rent sanctioned in G.O. Mis. No.598 Revenue dated 11th April 1924 communicated with Board's resolution Mis. No.918 L.R., & Settlement dated 16th April 1924.

2. The President of the Karkal village panchayat requests to be informed whether the lease will be extended for one year more subject to the same conditions and on the rent already fixed. Condition (1) laid down in G.O. No.1518 Mis. Revenue Department, dated 6th Octr. 1923, requires that the lease shall be granted annually on a reasonable fixed rent to be determined by the Board of Revenue. As I see no objection to grant the extension of the lease for another year from 1st April 1925 on the rent of Rs.75/- fixed for this year, I request that sanction may be accorded to this course.

The lease of the fishery of the Anekere tank was granted to the Karkal village Panchayat for one year from 1-4-24, subject to the conditions laid - down in G.O.No.1518 Mis. Rev.Department, dated 6-10-23, communicated with B.P. Reference No.F.2422/23-1, dated 12-10-23, and subject to payment of Rs.75 as rent sanctioned in G.O.Mis.No.598,Rev:, dated 11-4-24, communicated with Board's resolution Mis. No.918 L.R & Settlement, dated 16-4-24. Before the expiry of the lease the President applied for the extension of the lease for another year from 1-4-25, subject to the same conditions and on the rent already fixed. I applied for sanction to this course and the Board approved of my proposal to extend the lease for another year in its- Resolution Mis. No.2876 L.R & Settlement, dated 28-11-1924. The President of the Panchayat now says that they have resolved to hand the fishery back to Government management from 1-4-25. I have therefore asked the Tahsildar,Karkal, to take charge of the tank fishery on 1-4-25 and retain it under Government management disposing of the right of fishing by public auction. I request that my action may be approved.
